

2009–2010 Opstad Elementary School PTA

PTA Membership Invitation

Now's the time to join the Opstad Elementary School (OES) PTA.

Opstad PTA needs your support so that we can better serve our kids. Washington State PTA and the National PTA are lobbying for Education Reform but can only be as strong as their number of their members. Your membership dues of only \$10 helps all three organizations keep going strong. Please see the PTA brochure for more information about the many PTA programs and the other benefits that membership brings or visit our website at www.opstadpta.org.

- **Please complete the information below**, then return it to your child's teacher or the OES Office as soon as possible.

Or

- **JOIN ON-LINE** at www.opstadpta.org and pay with **PayPal** or **credit card**.
